VBS Update

- The nightly attendance ranged from 42-51.
- The offering will benefit Addi Graham, who is undergoing Leukemia treatment.
- If you would like a copy of the closing slide show, please share your cell number with Leesa.

There were too many workers to try to list, but please know that everyone is appreciated. It took every person we had and then some to wrangle the kids. It was a great week! See you next year, VBS!
